

## Middlesex Fells StoryWalk® Saturday, April 17 – Sunday, May 2, 2021

**Our Big Home** by Linda Glaser is our next StoryWalk® What a great way to combine literature, exercise, and family fun! Our Big Home celebrates our Earth in a poem to commemorate Earth Day, April 22. It explores different environments on our Earth and talks about why they are so important.

The StoryWalk® is a collaboration of the **Friends of the Middlesex Fells Reservation, MA Department of Conservation and Recreation, Mass in Motion, Medford Family Network and the North Suburban Child and Family Resource Network.**

The self-guided walk begins at Greenwood Park, in Stoneham (across from the Stone Zoo), and will continue along the Crystal Springs Trail in an easy, 1/3-mile loop. The storywalk begins at the entrance behind the sandbox.

Foster your child's connection with nature as well as their literacy skills by participating in our StoryWalk® in the Fells!

**Please scan the QR code below to help us record the numbers of people who walk the storywalk and the community you are from. This information assists us in the planning of and funding for future storywalks. Thank you for your assistance and enjoy Our Big Home**

The Project was created by Anne Ferguson of Montpelier, Vermont and developed in collaboration with the Kellogg-Hubbard Library.
